

## What is Habitat for Humanity?

**Habitat for Humanity of Montrose County** is a Christian housing ministry. We provide a self-help program for families in need of affordable housing. Our homeowners are approved, low-income families who make a commitment to build new lives and new community relationships, as well as to help build their new homes. ***We help change lives!***

Habitat homeowners are chosen on the basis of need, ability to pay, and willingness to partner with Habitat of Montrose County. The acceptable total monthly income is 30-50% of the median Montrose County income level based on the family size. Race, religion and marital status are not factors in eligibility.

On July 3, 1991 Habitat of Montrose County became an official affiliate. In 1992 we dedicated our first home in Montrose. In

1996 we purchased the land for The Mesa Vista subdivision, located just north of East Main Street, off Locust. It has 29 lots and a landscaped green space. Our first home was dedicated there in 1998. The Mesa Vista Subdivision has an active homeowners association to oversee the subdivision and the green space maintenance. As of April 2008, we have built and dedicated 20 homes in the Mesa Vista subdivision.

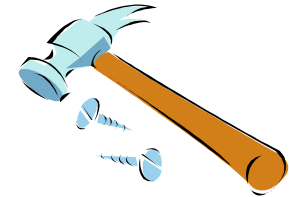

***Since our inception in 1991, we have improved the lives of more than 30 families in Montrose County.***

# Why Do A Company Build Day?

## **Build Day Benefits**

Benefits to the company include:

- Indicates community awareness and support to employees and the general public.
- Build Day event can be used as a tool by management to help employees by:

Building employee morale

Building cooperation among peers

Building teamwork across all employee levels

Generating new ideas

Building self-confidence

Encouraging employees to learn new skills

Providing employees an opportunity to get to know staff that they don't usually work with.

Introducing new employees to staff in a relaxed atmosphere

***Company size doesn't matter.  
Your firm can be small or large  
to hold a Build Day.***

## **Build Day Costs**

There is no fee. However, usually the company provides:

- \* Lunch and an afternoon snack for their employees
- \* A donation to Habitat
  - Some will conduct an employee donation matching campaign
- \* Many provide a commemorative Habitat/Company T-shirt
- \* Many provide other commemorative gifts to their employees, such as hats and water bottles.

## **Scheduling a Build Day**
